*I must be a member in good standing with all of my loans current (less than 15 days past due in the past 12 months) to participate in DCU's Skip-A-Payment Program. This program is not available on loans during the first twelve (12) months of the loan agreement. Loans are limited to one (1) Skip-A-Payment per calendar year and up to a maximum of three (3) per loan term. There is a \$25 service fee to skip each payment on each loan. I may skip one full payment on the following eligible loan types: New and Used Auto, New and Used Motorcycle, Recreational Vehicle - fixed only, Access, Mobility Vehicle, Indirect Loans, Personal, Consolidation, and Stock Loans. Not offered on Visa, Advantage Credit Line, Home Equity, Mortgage, or Sold Vehicle. Finance charges will continue to accrue on a daily basis at the Annual Percentage Rate set forth in my loan agreement, both during and after the deferral period. This means that this deferral of scheduled payments, and application of resulting fee directly to the outstanding loan balance if that is the method I have chosen, will result in my having to pay higher total Finance Charges and possibly a higher total number of payments, than if I made my payments as originally scheduled. I will, therefore, have to make extra payment(s) after my loan would otherwise have been paid off. In all other respects, the provisions of my original agreement remain in full force and effect. I agree to contact the Credit Union for exact payoff information. I agree that I will resume making scheduled payments beginning with the payment due during the month following the deferral and will make all scheduled payments due thereafter. I understand that all these payments will be applied first to finance charges and late charges, if any, and then to principal. My next monthly payment will include the finance charges from the skipped month. Monthly premium for GAP coverage and Payment Protection will still be added to the loan on the skipped month.
