

Marlborough's DCU to support Boys & Girls Club members

Posted at 12:01 AM on April 24, 2019 – The MetroWest Daily News

Marlborough-based Digital Federal Credit Union (DCU) this year has teamed up with the United Way, the Boys and Girls Club and the athletes of Stars on Ice to provide a very special experience for some well-deserving young individuals and their families.

Each month the Boys and Girls Club selects a Member of the Month. These are members who stand out during programs and activities with the qualities of being responsible, respectful and safe.

The staff chooses these children based on their consistent model behavior and willingness to step up as leaders.

DCU has offered to sponsor 14 Boys and Girls Club Members of the Month by providing each recipient and a family member with tickets to Stars on Ice presented by Musselman's coming to Worcester's DCU Center on Sunday, April 28.

Each of these "Star" members will receive a pair of tickets along with access to the pre-skate warmups and the Icebreaker, which will feature an up-close opportunity to hear from two of the world-class figure skaters performing in Stars on Ice.

For tickets and more information, visit www.starsonice.com.
