What you can expect

Once you've submitted your completed forms...

1. Allow a minimum of 30 business days for the SUBORDINATION AGREEMENT to be drawn up and sent out.
2. Upon receipt of your Home Equity Subordination Request, your Home Equity Line of Credit will be frozen through the completion of the Subordination approval process.
3. SUBORDINATION AGREEMENTS will be sent by regular mail unless we are provided with a Federal Express Number.

Read the following carefully before proceeding with your request.

Subordination: Any member with an existing Home Equity Loan, who refinances their First Mortgage with either the Credit Union or another institution and wishes to keep the Home Equity Loan open, needs to request that their Home Equity Loan be subordinated to the new First Mortgage.

If the recording information (Book, Page, Document, or Instrument #) are not known, the Credit Union will leave them blank on the SUBORDINATION AGREEMENT for the closing agent/ attorney to fill in prior to recording the new first mortgage and subordination agreement.

Provide all pages of property appraisal. The Appraisal cannot be more than 120 days old from the date of the subordination request.

In some cases due to Combined Loan to Value, the Credit Union will require that limits or balances on Home Equity Loans be reduced for the subordination to be granted. Other LTV restrictions may apply (example: declining market value).

Due to privacy regulations, any request for copies of loan documents (notes, deeds of trust, etc.) must be accompanied with a copy of a signed written authorization from the member whose documents are being requested.

The Credit Union uses its own SUBORDINATION AGREEMENT which is acceptable in most States.
