

Request to Activate or Deactivate Business Earn More Feature

Please use this form to activate or deactivate the Business Earn More Feature on your business checking account. To complete this process, please follow these steps:

- Complete the bottom portion of this form. Incomplete or unsigned documents may delay the processing of your request.
- Take the completed form to your nearest DCU Branch Office, fax it to 866.874.7820, or mail it to:

Digital Federal Credit Union
New Accounts Department
PO Box 9130
220 Donald Lynch Blvd
Marlborough, MA 01752

Member # _____ Checking # _____

Business Name _____

I, the Authorized Signer (Sole Proprietor, Managing Member, Managing Partner, or Executive Officer) of the above referenced account, am requesting:

To **activate** the Business Earn More Feature

The Business Earn More Feature automatically sweeps the account balance out to interest-bearing FDIC insured deposit accounts held at participating institutions throughout the country. You will still maintain access to account funds. Please refer to the [DCU Business Earn More Feature Terms and Conditions](https://www.dcu.org/learn/policies-and-fees/disclosures.html) (found at <https://www.dcu.org/learn/policies-and-fees/disclosures.html>) for important information and disclosures regarding the Business Earn More Feature.

To **deactivate** the Business Earn More Feature

I understand this means:

- The business checking account identified above will no longer have the Business Earn More Feature, and
- Any interest accrued as a result of the Business Earn More Feature, but not yet posted for the period will be forfeited.
