Borrower name and address to appear on payoff letter:

Please Note: Due to the nature of solar loans, the payoff amount may not reflect the full loan balance. If any additional disbursement of loan proceeds is made after a payoff amount is provided, the disbursement will be added to the balance of your loan in accordance with your Home Solar Loan Agreement, and the full balance on the loan, including all disbursements, must be paid in order to pay off the loan in full. By issuing a payoff amount, DCU does not waive its rights to collect any subsequent disbursements on your loan, and you remain responsible for repayment of all disbursements made on your loan in accordance with your Home Solar Loan Agreement.

I authorize Digital Federal Credit Union to release payoff figures to the above fax or email for the account number indicated.
