Digital Federal Credit Union Expands Surcharge-Free ATM Availability for Members through Allpoint Network

DCU announces membership in Allpoint, America's largest surcharge-free ATM network

Marlborough, MA (May 24, 2016) – DCU (Digital Federal Credit Union) has joined Allpoint Network, which means DCU members now have access to America's largest surcharge-free ATM network, with over 55,000 surcharge-free ATMs worldwide.

In addition to DCU's existing branch locations, ATMs and network ATMs, with Allpoint Network, DCU members will never be far away from surcharge-free ATM access to their cash, especially in the United States where Allpoint offers 43,000 cash machines in places they're already visiting as part of their daily routine. Conveniently located in destination retail outlets including major discount retailers, convenience, grocery and pharmacy stores, Allpoint Network ATMs save members of DCU time as well as ATM fees.

"By partnering with Allpoint Network, in an instant DCU grew its surcharge-free ATM footprint by 55,000 with 12,000 of those in other countries." said Barbara Messier, the Operations Manager at DCU. "We live in a fast-paced world where members see convenient account access, including cash access, as a key benefit. At DCU, it's our vision that "All Members Achieve Their Financial Goals" whether in-branch, online or on the go and now with Allpoint Network surcharge-free ATMs, DCU can continue to meet our members' cash access needs in a way that works best for them."
